MAINTENANCE INSTRUCTIONS

CLEANING INSTRUCTIONS AND CARE FOR YOUR NEWLY REFINISHED
BATHTUB, SINK, VANITIES, COUNTER TOPS

DO NOT USE RUBBER SUCTION MATS IN TUBS OR SHOWERS!

PLEASE DO NOT USE ANY OF THE FOLLOWING

- ABRASIVE CLEANERS [Ajax](#), [Bleach](#), [Comet](#), Etc.
- SCOURING PADS OF ANY KIND
- DO NOT USE BATH MATS ON TUB.

Use only NON-ACID & NON-ABRASIVE cleaners

YOU CAN USE:

- **409**
- **Fantastic**
- **Mr. Clean**

- **Bathroom cleaner foam (Bissell)**
- **Bonami**
- **Simple Green**
- **Scrubbing Bubbles – Foam Cleaner**
- **USE A SOFT SPONGE**

NOT TO DO:

- Do not leave soap, bottles, wet clothes or foreign objects on the tub surface or any surface that has been refinished.
- Do not use polish remover, ammonia, harsh chemicals, off brand cleaners and perfumes over refinished areas.
- DO NOT USE SHOWER MATS. WE ARE NOT RESPONSIBLE FOR DAMAGES CAUSED BY MATS ON TUB. We offer non-skid additive at extra charge.
- Do not hit unit with metals or any other utensil or tools. Will make chips and scratches on surface.
- Constant moisture such water leaking, dripping or standing in low spots for extended periods of time may cause bubbling, lifting or erosion on unit. We are not responsible for those damages on unit.

Failure to report constant dripping or leaking of a faucet could result in the discoloration of the finish and/or cause the finish to peel.

NOTE: Apartment tenants please contact your building management immediately for any problems with your new refinish.

THANK YOU SO MUCH FOR BEEN OUR CUSTOMER... WE LOVE OUR CUSTOMERS...
